

# You're amazing!

We'd like to say a great big **THANK YOU** for all your support during the Covid-19 pandemic. As we gladly put 2020 behind us, here are some positive things to look forward to in 2021. We've got unforgettable challenges, and safe, fun events that you can do from home, or as part of your daily exercise. Whatever you choose, you'll be helping us to care for local patients who really need your support.

## Skydive
