Dear Mr Wayment

Faculty No 1301

1 April 2022

**St Mary, Woburn
installation of telephone line to crypt**

I write further to the email sent earlier this week wherein the Chancellor gave permission for the above works:

I enclose a duplicate of this letter for your signature below. Once duly signed, please return it to me as an undertaking to do the following:

1. To commence the works authorised in the email of 30 March as soon as possible. The Chancellor granted an Interim Faculty on the basis that the works are urgent and important and expects them to be carried out. If circumstances change and there is no longer any need to undertake the proposed works, please provide a written explanation without delay so that I may keep the Chancellor informed of material developments.

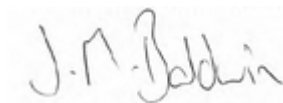

2. To comply with the conditions set by the Chancellor, namely:

- a. A petition for a confirmatory faculty shall be submitted to the Registry within 6 months
- b. To abide by any further direction that the Court may give

Please note that it is the responsibility of the Petitioners to comply with the directions set out above, unless the Court has previously authorised a variation to them.

Please quote the Faculty number shown overleaf in any future correspondence regarding this matter.

Yours sincerely,

J.M. BALDWIN
